Grace Community Church exists to make followers of Jesus by proclaiming and living out the truths of the Gospel in our neighborhood, city, and the world. Just as the Father has extended His grace to us through the person and work of Jesus Christ we believe we should extend the same grace to those around us. Our mission then is quite simple—to love God, love people, reach people and develop people.

**Loving God Passionately**

**A Vibrant Community where...**

People encounter a real God, experience real forgiveness and live out real life change. Intimacy with God is expressed through a lifestyle of worship. God's word is central, transforming the heart and igniting impassioned worship.

**Loving People Genuinely**

**A Growing Community where...**

People from all walks of life are welcomed, included, celebrated and belong. Hearts are healed, health is renewed and hope is restored. Cultures and generations embrace in unity and purpose.

**Reaching People Deliberately**

**An Intentional Community where...**

People become irresistible influences as devoted Jesus followers. Neighborhood needs are creatively met to reach others with the love of Jesus. Unreached people are impacted globally through strategic, long-term partnerships.

**Developing People Spiritually**

**An Equipping Community where...**

People learn to join God in making the ordinary...extraordinary. Lives are impacted and legacies endure through purposeful mentorship. Leadership, gifting and passion are expressed through lives of service, sacrifice and significance.
